

Welcome!

Welcome to the public information event for the planned development of a state-of-the-art attraction in the Titanic Quarter, the **reefLIVE Aquarium**.

We are seeking your feedback on these draft proposals. Your feedback is important to us and will help to inform how the proposal develops.

Who is reefLIVE?

reefLIVE Limited (reefLIVE) is a new company set up by a highly experienced management team to develop and operate a new generation of for-profit public aquariums in city centre locations.

What is the purpose of this event?

The purpose of the event is to share our proposals as part of a formal pre-application community consultation process, prior to submission of a full planning application to Belfast City Council in early Autumn.

Feedback

We want to hear from you and welcome your views on the proposal. We will use your feedback to shape our proposal and inform the future planning application. All comments and feedback will be summarised and responded to in a Pre-application Community Consultation Report. This will be submitted alongside the planning application.

Next steps

ReefLIVE Ltd is now developing proposals to inform a planning application to deliver an aquarium for the Titanic Quarter.

We are committed to engaging with members of the community, and are now concluding a period of pre-application community consultation on the proposals.

The feedback we receive will shape our proposals for the aquarium prior to submission of a planning application in autumn 2019.

There is a number additional ways you can comment.
